SUBJECT: **KFTL Terminal Operations on upcoming “No Movement Days”**

To ALL External Stakeholders

Following the updates to the Covid-19 containment measures announced by the Prime Minister of Jamaica, Most Hon. Andrew Holness, on September 1, 2021, we wish to remind all our stakeholders that the Terminal operates as an essential service and as such operational activity will be conducted as normal on the designated “no movement days”.

Please note that our usual opening hours will also be the same on all the stipulated dates **(September 5, 6, 7, 12, 13, 14):**

- Vessel Operations – 24/7
- Gate Operations – 7:00 AM to 3:00 PM (weekdays, except public holidays)
- Warehouse Operations – 8:00 AM to 4:00 PM (weekdays, except public holidays)

The Terminal remains cognizant of the heightened need of adhering to the measures under the Disaster Risk Management Act and as such we wish to emphasize that we have enforced all the necessary protocols internally to minimize the risk of spread within our operations.

Best regards,
